

See People Thrive and Reach Their Full Potential

The Youth Internet in the Asia Pacific

Dr. Benson Wu
Co-founder and CEO
CyCraft Technology
benson.wu@cycraft.com

20 years ago...

I was alumni at
APNG/TWING Camp
and got inspired

APNG Camp

- > 4th (Busan, 2003)
- > 5th (Cairns, 2004)
- > 6th (Kyoto, 2005)
- > 7th (Taipei, 2006)

Want to Thrive
and Reach My
Full Potential

Lesson learned:

Planning and Execution

2006
my first-time as
startup employee

at Armorize
(later acquired by
Proof Point)

5 years of hard working
from security
consultant to director
of engineering

Lesson learned: Product Innovation

CYCRAFT

2010 my first-time as
startup founder

3 years of
super hard working
and acquired by
Verint Systems

Lesson learned: Objective and Key Results

2014 my first-time as
country head of big
corp Verint

4 years of
Taiwan/Israel
intensive collaboration

Lesson learned:

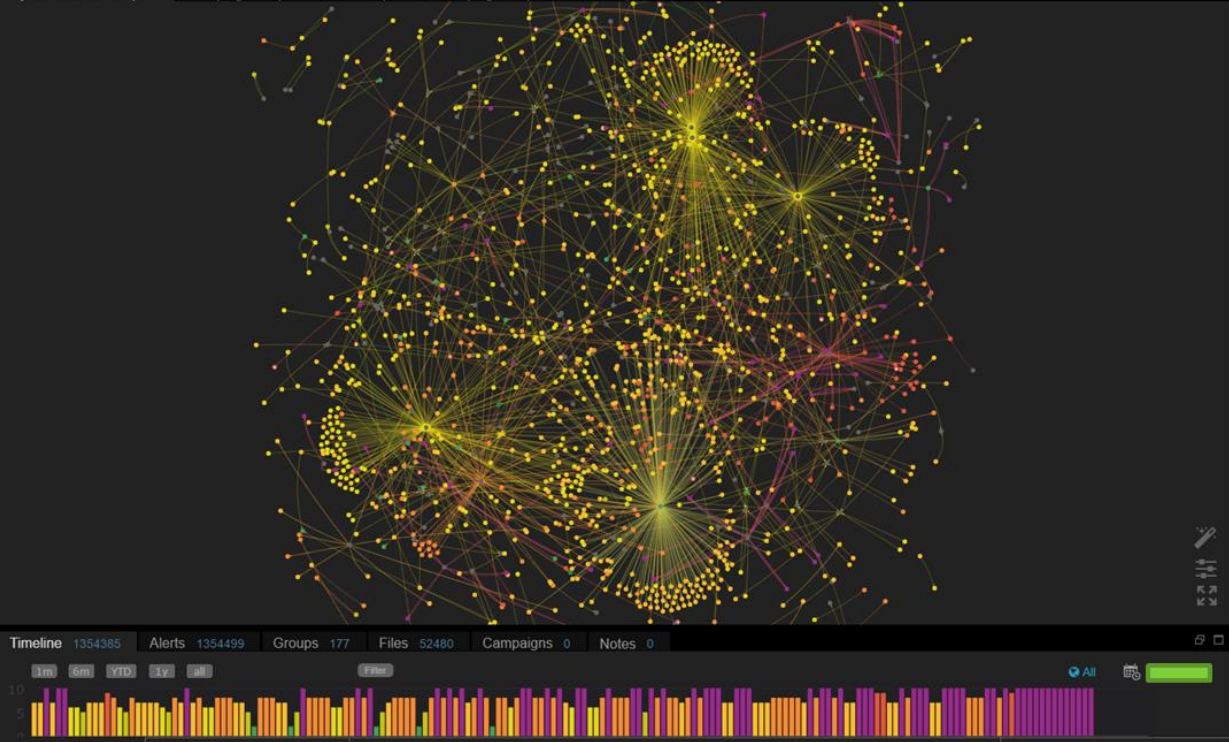

Market Innovation

2017 my second-time
as startup founder

5+ years of coaching

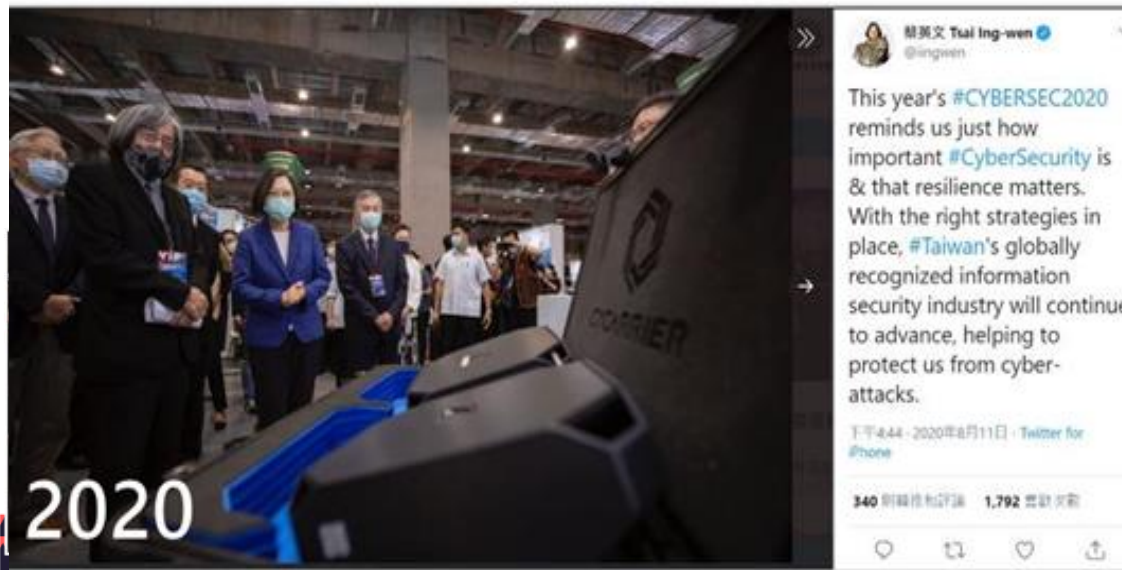

- 100% YoY growth
- 100+ enterprise customers
- 100 employees

Now as role model to inspire young generation

To see individuals, organisations and communities thrive and reach their full potential.
