About NetMission

About NetMission.Asia

NetMission.Asia aims to bring together a network of dedicated young volunteers devoted towards promoting and contributing towards a collaborative and sustainable Internet as well as youth engagement on Internet governance.

The vision of NetMission is that the empowerment of, and the informed perspectives and participation from young digital natives, provide substantive and constructive enrichment to the multi-stakeholder Internet governance discourse, globally and locally, now and into the future.

About the Asia Pacific Youth IGF

What is yIGF?

- Youth IGF occurs in conjunction with the Asia Pacific Regional Internet Governance Forum (APrIGF) annually
- To raise awareness and build the capacity for youth to join the Internet governance discussions.
- Based on the mandate of IGF to bring people together from various stakeholder groups as equals
- To open platform for the young generation to express and interchange their ideas and own thoughts on internet governance freely.
